The notice period is **three calendar months** for pre-school activities from the date the notice form is received by the Children and School Office or the pre-school. **The notice period is the current month plus one month** for school childcare from the date the notice form is received by the Children and School Office or the school childcare. When moving to another municipality, a fee is charged as long as the right to a place in Lund municipality remains. Fee is charged up to and including end of the notice period regardless of whether the place is used or not. Full fee is paid for the last month regardless of the date the child ends. Children who have been enrolled in municipal activities for the past six months are not entitled to a new payment-free month.
